Depending on your dental health, your dentist or hygienist will advise which plan is needed to maintain your dental health

How do these appointments help you?

Dental examinations provide:

- Clinical examination to catch developing problems early
- Checking for signs or oral cancer for early detection
- X-Rays, where clinically necessary, for an in-depth examination of your oral health

Hygiene appointments provide:

- Professional removal of harmful hard plaque
- Advice and techniques - we work with you to prevent tooth decay and gum disease
- Fresher breath and a brighter smile for improved self-esteem

We believe this is the complete package to maintain your oral health. We recommend joining to help reduce the risk of expensive restorative treatment in the future.
