How do these appointments help you?

► Dental examinations provide:

Clinical examination to catch developing problems early
Checking for signs or oral cancer for early detection
X-Rays, where clinically necessary, for an in-depth examination of your oral health

► Hygiene appointments provide:

Professional removal of harmful hard plaque
Advice and techniques - we work with you to prevent tooth decay and gum disease
Fresher breath and a brighter smile for improved self-esteem

We believe this is the complete package to maintain your oral health. We recommend joining to help reduce the risk of expensive restorative treatment in the future.
Depending on your dental health, your dentist or hygienist will advise which plan is needed to maintain your dental health.
